

WELCOME TO CCX CREATE!

As we start to reopen, we have created new protocols to keep everyone entering the building — guests, members and staff — safe.

When you arrive at CCX Create, please remain in your vehicle until the show producer/host notifies you to come in to the building.

Our doors are locked, but someone will be there to let you in.

Masks or face shields are required as you enter the building. If you don't have a mask, we do have a limited supply available.

Upon entering the building, please use the hand sanitizer provided. You will also need to sign off on a COVID-19 health checklist.

Once you've done that, the show producer/host will escort you to the studio where you will be interviewed. Please leave your mask on until just before the recording starts.

After the show ends, please put your mask back on and leave it on until you exit the building.

We hope that these temporary measures do not detract from the positive experience we know you will have at CCX Create. Only know that we care very much about our community of members and the larger community we serve together.

THANK YOU FOR YOUR ATTENTION TO THESE MATTERS!
