### **City of New Hope to Host Mask Distribution for Hennepin County Businesses**

The city of New Hope has partnered with TwinWest Chamber of Commerce to host a mask distribution event. The event is part of a county-wide effort to distribute masks to Hennepin County businesses. Businesses may pick up masks at New Hope City Hall on Thursday, July 30 from 8 a.m. to 4:30 p.m.

The goal is to ensure businesses and customers within the county have access to masks, following Gov. Walz's statewide mask mandate requiring face coverings in all indoor public spaces.

In addition to the New Hope location, several other sites will offer mask pick-up. Hennepin County mask pick-up sites for businesses located in the western suburbs are listed below. Businesses within Hennepin County may pick up masks at any of the following locations, while supplies last. Businesses do not need to be a chamber member.
