The **Seven Dreams Education Foundation** brings together our community, educators, parents, businesses and civic leaders to secure ways and means for the inspiration and engagement of all learners in the Robbinsdale Area Schools.

We are a non-profit 501(c)(3) education foundation founded in 2003 by parents, community members and Robbinsdale Area

Schools staff. The foundation funds grant requests from teachers and staff, and also district-wide initiatives that enhance educational opportunities for all students in the Robbinsdale Area Schools.

This is the 10th year of the Bird Bash, our signature fundraiser, and we have raised \$450,000 in total since our first Bird Bash. Please attend and help us build on our success!

THE 10TH ANNUAL BIRD  
BASH WILL SUPPORT MENTAL  
HEALTH AT ROBBINSDALE  
AREA MIDDLE SCHOOLS

The Bird Bash project will support the well-being of all Robbinsdale Area middle school staff and students with Wellness Centers that will provide a dedicated space to relax, reflect and recharge so they are ready to teach and learn.
